FROM ONE TONGUE TO ANOTHER

PUTTING WORDS INTO YOUR BUSINESS

Translations by dedicated teams of specialist professionals contribute to brand development and promotion efforts of your business.

Call in the seahorse when you need safe guidance through tough waters.

79th

in the Union of Service Exporters

As the trusted translation services solution partner for hundreds of organizations from Europe to Americas and the Far East, Referans supplies a great majority of its services to international customers from all over the world and is ranked among the leading service exporters in Turkey.

With its export performance in 2015, 2016 and 2017, Referans is ranked as 79th among service exporting Turkish companies that contributed in the establishment of the Union of Turkish Service Exporters (HIB) in 2018.

Translating for the world

Budget savings up to

85%

AKCE is the smart translation system that Referans has developed in order to offer budgeting benefits to its contracted customers of translation services.

The system runs a corporate content library in the background and provides up to 85% savings in some translation projects.

AKCE incorporates advantages of translation technologies with human creativity in order to increase productivity and quality and to lower cost of multilingual translation projects.

Budgeting benefits in documentation

TRANSLATION & INTERPRETING

TECHNICAL ◯ BUSINESS ◯ MEDICAL ◯ TRANSCREATION

Employing the largest team of dedicated translation professionals in Turkey, Referans provides high quality translation and interpreting services to leading local and international companies.

Certified translation is among the services Referans Translation and Localization Center provides.

DTP & PROGRAMMING

DIGITAL ◯ WEB ◯ GRAPHIC DESIGN

A gentle touch by Referans transforms your web site into a 'geography-friendly' web site to bring cultural values of your target communities forward, uplifts the value of your corporate brand and represents your company successfully throughout the world.

Your catalogues are ready for use in any world languages in the best graphic design.

TRANSCRIPTION

MULTIMEDIA DESIGN

DUBBING ◯ SUBTITLING ◯ VIDEO EDITING

Referans contributes visibility and market recognition efforts with high quality multimedia design including dubbing, subtitling, video editing, photographing, illustrating and animations that convey your corporate message to target audience.

Rafet Saltık
CEO

Started his translation career in 1982 when he was a university student. He worked at the Istanbul University as a lecturer until 1998 when he focused all his work on translation throughly.

Attracted attention of global giants in a short time and became one of the few translation professionals who provided his services to international markets.

Delivered courses on computer assisted translation tools and translation style for translation teams of various public and private organizations including Turkish Ministry of Foreign Affairs and Georgian Ministry of Justice.

Dedicated teams of expertise

EN ISO 17100

Quality Standard for Translation & Interpreting Services

Referans is certified as per EN ISO 17100 as a confirmation of the sustainable high quality in translation and interpreting services it provides.

The standard provides requirements for the core processes, resources, and other aspects necessary for the delivery of a quality translation service that meets applicable specifications.

Guaranteed quality
